

Subsection	Regulation	Citation	Service(s)
§ 95.1763 GMRS channels	Channels 1-22, plus repeater channels	47 CFR 95.1763	GMRS
	Channels 8-14: handheld units only	47 CFR 95.1763(d)	GMRS
§ 95.1767 GMRS transmitting power limits	Channels 8-14: not to exceed 0.5 watts	47 CFR 95.1767(c)	GMRS
	Channels 1-7: not to exceed 5.0 watts	47 CFR 95.1767(b)	GMRS
	Channels 15-22: not to exceed 50.0 watts	47 CFR 95.1731(b)(1)	GMRS
§ 95.1773 GMRS authorized bandwidths	Channels 8-14: narrow band (12.5 kHz maximum)	47 CFR 95.1773	GMRS
	Channels 1-7, 15-22: wide band (20 kHz maximum) or narrow band	47 CFR 95.1773	GMRS
§ 95.563 FRS channels	Channels 1-22	47 CFR 95.563	FRS
§ 95.567 FRS transmit power	Channels 8-14: not to exceed 0.5 watts	47 CFR 95.567	FRS
	Channels 1-7, 15-22: not to exceed 2.0 watts	47 CFR 95.567	FRS
§ 95.573 FRS authorized bandwidth	Channels 1-22: narrow band (12.5 kHz) only	47 CFR 95.573	FRS
§ 95.307 Authorized station locations	Within the United States and its territories	47 CFR 95.307(a)	All PRS
	Aboard any vessel or aircraft registered in the United States.	47 CFR 95.307(b)	All PRS
	Aboard any unregistered vessel or aircraft owned or operated by a United States citizen or company.	47 CFR 95.307(c)	All PRS
	Other locations	47 CFR 95.307(d)	All PRS
§ 95.319 Malfunctioning transmitting equipment	Test transmissions are permitted	47 CFR 95.319(c)	All PRS
§ 95.343 Station operator responsibility and requirements	Operator must be located at control point and monitoring any transmissions, no matter who is using the radio	47 CFR 95.343(a)	All PRS
	Licensee is responsible for proper operation of the station	47 CFR 95.343(b)	All PRS
	Maintain station records	47 CFR 95.343(c)	All PRS
§ 95.357 Duration of transmissions	Limit to minimum duration necessary	47 CHR 95.357	All PRS
§ 95.367 Transmitting power	Minimum power necessary to carry out desired comms (except in emergency)	47 CHR 95.367	All PRS
§ 95.1705 Individual licenses required; eligibility; who may operate; cooperative use	Individual license responsibility. Licensee is responsible at all times for proper operation.	47 CFR 95.1705(b)	GMRS
	Family members: licensee's "spouse, children, grandchildren, stepchildren, parents, grandparents, stepparents, brothers, sisters, aunts, uncles, nieces, nephews, and in-laws."	47 CFR 95.1705(c)(2)	GMRS
	Anyone may operate in case of emergency	47 CFR 95.1705(c)(3)	GMRS
	Licensee "shall determine specifically which individuals, including family members, are allowed to operate (i.e., exercise operational control over) its GMRS station(s)"	47 CFR 95.1705(d)(1)	GMRS
	License term is 10 years from date of grant or renewal	47 CFR 95.1705(e)	GMRS
§ 95.1723 GMRS station inspection	Must allow inspection of station and records	47 CFR 95.1723	GMRS
§ 95.1731 Permissible GMRS uses	Two-way voice communication with GMRS and FRS users	47 CFR 95.1731	GMRS
	Emergency communications must be given priority	47 CFR 95.1731(a)	GMRS
	One-way communications to call for help, warnings of hazardous conditions, test transmissions	47 CFR 95.1731(b)	GMRS
	Assist travelers to reach a destination or receive necessary services	47 CFR 95.1731(c)	GMRS
§ 95.1743 Minor GMRS operators	Licensee is responsible for operation by individuals under age of 18	47 CFR 95.1743	GMRS
§ 95.1745 Remote control	Remote control is permitted	47 CFR 95.1745	GMRS
§ 95.1747 Automatic control	Automatic control is permitted	47 CFR 95.1747	GMRS
§ 95.1751 GMRS station identification	Transmit GMRS station call sign following single transmission or series of transmissions	47 CFR 95.1751(a)(1)	GMRS
	Transmit GMRS station call sign after 15 minutes and at least once every 15 minutes thereafter during a series of transmissions lasting more than 15 minutes.	47 CFR 95.1751(a)(2)	GMRS
§ 95.309 Coordination procedures and other restrictions for operation in certain locations	"Quiet zones" and Protected FCC Field Offices	47 CFR 95.309(a)	All PRS
	Near U.S. Border or international treaty areas	47 CFR 95.309(b)	All PRS
	Environmentally sensitive site or concern	47 CFR 95.309(c)	All PRS
	In U.S. Government areas	47 CFR 95.309(d)	All PRS
	Near Arecibo Observatory	47 CFR 95.309(e)	All PRS
§ 95.333 Prohibited uses	In connection with any activity which is against Federal, State or local law	47 CFR 95.333(a)	All PRS
	To transmit advertisements or program material associated with television or radio broadcasting	47 CFR 95.333(b)	All PRS
	To transmit messages for hire or provide a common carrier service	47 CFR 95.333(c)	All PRS
	To intentionally interfere with the communications of another station	47 CFR 95.333(d)	All PRS
	To transmit obscene, profane or indecent words, language or meaning	47 CFR 95.333(e)	All PRS
	To transmit a false or deceptive communication	47 CFR 95.333(f)	All PRS
§ 95.353 False distress signals	Must not transmit false distress signals	47 CHR 95.353	All PRS
§ 95.1733 Prohibited GMRS uses	Messages in connection with any activity which is against Federal, State, or local law	47 CFR 95.1733(a)(1)	GMRS
	False or deceptive messages	47 CFR 95.1733(a)(2)	GMRS
	Coded messages or messages with hidden meanings ("10 codes" are permissible)	47 CFR 95.1733(a)(3)	GMRS
	Music, whistling, sound effects, or material to amuse or entertain	47 CFR 95.1733(a)(4)	GMRS
	Advertisements or offers for the sale of goods or services	47 CFR 95.1733(a)(5)	GMRS
	Advertisements for a political candidate or political campaign	47 CFR 95.1733(a)(6)	GMRS
	Intentional distress signals except when on a ship, aircraft, or other vehicle in danger	47 CFR 95.1733(a)(7)	GMRS
	Messages conveyed both by wire control and GMRS	47 CFR 95.1733(a)(8)	GMRS
	Messages (except emergency) to ARS or unauthorized/foreign stations	47 CFR 95.1733(a)(9)	GMRS
	Continuous or uninterrupted transmissions, except emergency	47 CFR 95.1733(a)(10)	GMRS
	Messages for public address systems	47 CFR 95.1733(a)(11)	GMRS
§ 95.1787 GMRS additional requirements	Digital data transmissions must not exceed 1 second in duration	47 CFR 95.1787(a)(2)	GMRS
	Not more than one transmission in 30 second period	47 CFR 95.1787(a)(3)	GMRS
